Wizard outboard motors have been manufactured for Western Auto Supply Company by a number of suppliers, including Kiekhaefer Corporation, Fond Du Lac, Wisconsin; Oliver Outboard Motors Division, Oliver Corporation, Battle Creek, Michigan; and McCulloch Corporation, Los Angeles 45, California.

Service procedures on these units will not differ greatly from those given for similar motors carrying the manufacturer's brand name. This does not necessarily mean, however, that parts are interchangeable. If parts are required, refer to the PARTS PROCUREMENT INFORMATION data following the model listing.
