

United States Patent Office

732,396
Registered June 5, 1962

PRINCIPAL REGISTER Trademark

Ser. No. 54,516, filed June 30, 1958

The logo for Glassmaster features the word "Glassmaster" in a cursive script. A stylized seahorse is integrated into the design, positioned between the "s" and "m" of "master". The seahorse is oriented vertically, facing upwards, with its tail curving downwards and to the right.
